XXX Casino is proud to present an exciting their new online slot, Goons Gone Wild™, from PearFiction Studios! Step into the rink where chaos reigns and the only rule is to win big or go home bruised! Goons Gone Wild is the latest slot sensation that combines the rough-and-tumble world of hockey goons with the thrill of high-stakes slots. Imagine a hockey game where the enforcers have taken over. Our three goon-tastic characters are here to serve up punches, not pucks. Meet Red, the ginger-bearded multiplier who thinks your slapshots are as weak as his grandma's tea. Then there's Yellow, the jackpot-hungry goon with a grin so cheesy, it could melt ice. And last but not least, Purple, the supreme goon who might look a little lost with his long brown hair and glasses but packs a punch you won't see coming! Multiplier will continue to grow for each 1x collected. When the Collect symbol lands on the fifth reel, the Multiplier is awarded and applies to all Cash value symbols on screen. Split Symbols land in the top row and

increase the number of symbols shown on the reels. When Red Goon received has had enough punches, the Multiply LockNWin™ is triggered. In this feature, all Cash value symbols on the screen will be multiplied by the total multiplier.

Yellow Goon triggers the Jackpot LockNWin™. In addition to all the Cash value symbols on the screen, there are Jackpot coins that are collected. When enough Jackpot coins are collected in the feature, one of 5 jackpots will be awarded for a win of up to 5000x.

Purple Good triggers the Supreme LockNWin™. In this feature, Red and Purple Cash value symbols are added to the mix. When a Red Cash value symbol lands, it collects all Yellow Cash value, and when a Purple Cash value lands, it collects all Yellow and Red Cash value for some plus-sized wins!

Any of the three LockNWin™ features can be triggered at the same time, and the combined LockNWin™ will include all the features from each game, for a feature packed game!
