## INTRODUCTION

Three Hippos. One Very Dramatic Bird. Four Pots.

Following the smash-hit success of 3 Lucky Hippos™, this sequel brought the trio back, still bold, still brash, and still bright enough to outshine half your current lobby. Now they've been joined by a gloriously unhinged bird guarding a fourth pot: the bonus wheel. It's vibrant, it's volatile, and it's about to cause absolute scenes.

We've also unleashed four new frogs, each with their own unique Collect powers, hopping in to shake things up mid-spin. Throw in expanding reels, multipliers, jackpots, cash, and a bird who's clearly had too much coffee, and you've got a high-performing feature frenzy ready to fly.

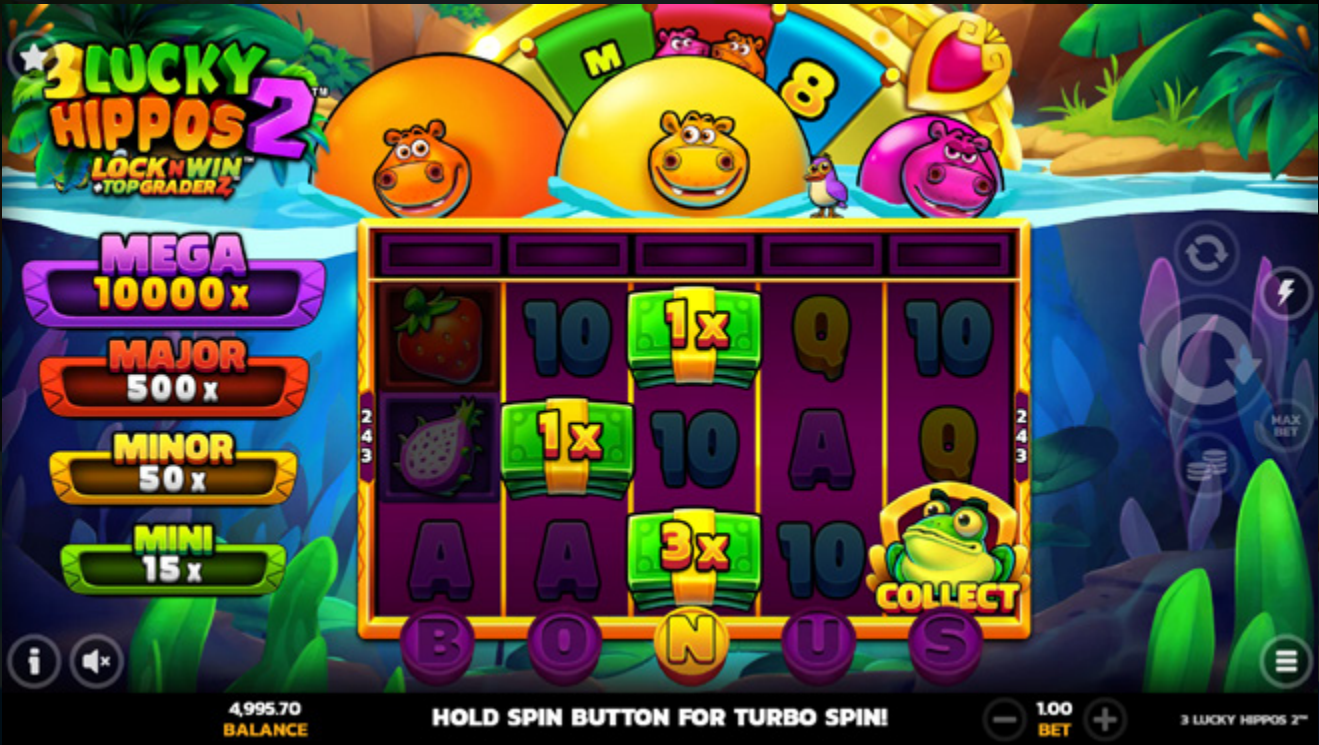

This isn't just a follow-up. It's a glow-up. 3 Lucky Hippos 2™ dials up the chaos, charm, and conversion power, giving you a sequel with sky-high retention potential, rich promo opportunities, and content players will come back for, again and again.

XXX Casino is proud to present an exciting new online slot, 3 Lucky Hippos 2™, from PearFiction Studios!

Sun's out, buns out. In 3 Lucky Hippos 2™, our chunky jungle trio has traded in the swamp for a tropical paradise, complete with palm fronds, suspiciously caffeinated frogs, and one very flamboyant bird with a flair for the dramatic.

Orange, Yellow, and Pink hippos are back and beefier than ever, ready to trigger their LockNWin™. Each hippo unleashes a unique LockNWin™ feature – Multiply, a brand new Dual Reels, and Supreme. But wait, there's a fourth pot now and it belongs to the bird. Naturally, it triggers a Wheel because nothing says tropical volatility like a bird guarding bonus segments like its eggs. The new bird wheel has several different prizes, including Jackpots, cash values and LockNWin™. This wheel also triggers in the LockNWin™ feature, creating limitless combinations and potential!

Toss in four new frog Collect characters each with a more unique functionality and potential than the last, that can be boosted and multiplied by the Topgraderz.

Expanding reels up to 6x5, 7776 payways, and bonus-chasing coin action, and you've got a game bursting with features, flavour, and full-throttle fun. This isn't just a sequel. It's a full-blown tropical escalation.
